Beneath the Skin is a gripping psychological thriller by the Top Ten bestselling author, Nicci French. Zoe, Jennifer and Nadia are three women with nothing in common. Except for the man who wants to kill them. He sends them terrifying letters, full of the intimate details of their lives - and promises that he will bring those lives to a violent, horrible end. But not before he has enjoyed himself. Invisible and apparently unstoppable, he delights in watching the women suffer, thrilled by his power to leave them utterly helpless, alone in their terror and confusion. Except they're not all as helpless as he thinks . . . Praise for Nicci French: 'A nail-biting, can't-put-down read' Marie Claire Nicci French is the pseudonym for Nicci Gerrard and Sean French. The couple live in Suffolk and have written thirteen other bestselling novels, all published by Penguin: Complicit, What to Do When Someone Dies, Until It's Over, Losing You, Catch Me When I Fall, The Memory Game, The Safe House, The Red Room, Land of the Living, Killing Me Softly, Secret Smile and, most recently, Blue Monday and Tuesday's Gone in the brilliant new Frieda Klein series.
